

Bureau of Land Management, Interior

§ 2203.3

Federal lands acquired through exchange by the United States automatically shall be segregated from appropriation under the public land laws and mineral laws until midnight of the 90th day after acceptance of title by the United States, and the public land records shall be noted accordingly. Except to the extent otherwise provided by law, the lands shall be open to the operation of the public land laws and mineral laws at midnight 90 days after the day title was accepted unless otherwise segregated pursuant to part 2300 of this title.

(c) *Notice to State and local governments.* Following the transfer of title to the Federal lands involved in an exchange, notice will be given to State and local officials as prescribed in § 2200.0-6(m) of this part.

Subpart 2203—Exchanges Involving Fee Federal Coal Deposits

SOURCE: 51 FR 12612, Apr. 14, 1986, unless otherwise noted.

§ 2203.0-6 Policy.

When determining whether a fee exchange of the Federal coal deposits is in the public interest, it is the policy of the Department of the Interior to consider whether the exchange will create or maintain a situation inconsistent with the Federal anti-trust laws. The Bureau of Land Management, in making the determination of public interest, shall consider the advice of the Attorney General of the United States concerning whether the exchange will create or maintain a situation inconsistent with the Federal antitrust laws.

§ 2203.0-9 Cross references.

The authorized officer shall implement a fee exchange of Federal coal deposits in compliance with the requirements of subparts 2200 and 2201 on this title.

§ 2203.1 Opportunity for public comment and public meeting on exchange proposal.

Upon acceptance of a proposal for a fee exchange of Federal coal deposits, the authorized officer shall publish and distribute a notice of exchange pro-

posal as set forth in § 2201.2 of this title.

§ 2203.2 Submission of information concerning proposed exchange.

(a) Any person submitting a proposal for a fee exchange of Federal coal deposits shall submit information concerning the coal reserves presently held in each geographic area involved in the exchange along with a description of the reserves that would be added or eliminated by the proposed exchange. In addition, the person filing a proposed exchange under this section shall furnish any additional information requested by the authorized officer in connection with the consideration of the antitrust consequences of the proposed exchange.

(b) The authorized officer shall transmit a copy of the information required by paragraph (a) of this section to the Attorney General upon its receipt.

(c) All non-proprietary information submitted under paragraph (a) of this section shall be made a part of the public record on each proposed exchange. With respect to proprietary information submitted under paragraph (a) of this section, only a description of the type of information submitted shall be included in the public record.

(d) Where the entity proposing a fee coal exchange has previously submitted information, a reference to the date of submission and to the serial number of the record in which it is filed, together with a statement of any and all changes in holdings since the date of the previous submission, shall be accepted.
